

**1 Road - 418 Yards.**

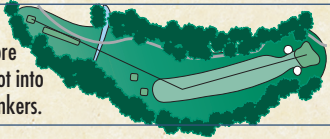

Resembling the Road hole at St. Andrews, a deep pot bunker guards a green with two false fronts.

**2 Biarritz - 250 Yards.** Classic Biarritz template hole with large swale in the center of the green that is heavily guarded by bunkers left and right.

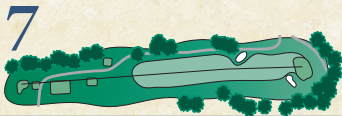

**3 Punchbowl - 412 Yards.** With a bunker pinching the fairway, accurate tee shots are required to set up the shot into the Punchbowl template green.

**4 Plateau - 348 Yards.** An uphill tee shot where position is more important than length to set up the shot into the elevated green guarded by pot bunkers.

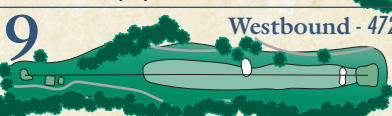

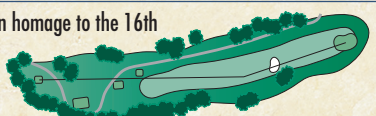

**5 Short - 178 Yards.** This Short template hole puts iron accuracy and distance control at a premium.

**6 Banks - 440 Yards.** Long downhill drives will set you up with shorter clubs into the large green, watch out for the bank, don't miss left.

**7 Regret - 362 Yards.** An unassuming hole, but beware of the fairway bunker left and approach shots that come up a few yards short.

**8 Eagle Rock - 439 Yards.** An homage to the 16th green at the Old East Course, make sure to place your incoming shots on the proper level.

**9 Westbound - 472 Yards.** Elevated views of the valley ahead distract from the length of this hole, 2 good shots are necessary to get on this Horseshoe green.

**10** *Bottle - 411 Yards.*  
A wide fairway with centerline bunkers invites you to swing away, but beware a right side miss on approach.

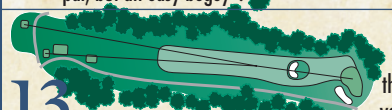

**11** *Straights - 409 Yards.*  
A straight shot off the tee and a well-placed iron shot will have you putting for birdie.

**12** *Long Climb - 449 Yards.* The climb up this hole seems never ending, exemplifying the phrase "A difficult par, but an easy bogey".

**13** *Principal's Nose - 419 Yards.*  
The Principles Nose bunker guarding the fairway on this short par four makes you question your club choice on the tee.

**14** *Eden - 203 Yards.*  
Eden Template hole with a bunker left and a large pot bunker right.

**15** *Raynor's Prize Dogleg - 503 Yards.* A gettable par 5 with bunkering guarding every landing zone, and a green that will challenge your putting abilities.

**16** *Rahway River View - 442 Yards.* Sweeping views of the course off the tee, and a river that forces a carry to an elevated green.

**17** *Reverse Redan - 218 Yards.*  
Reverse Redan template hole where leftward approaches may find themselves in the middle of the green.

**18** *Executive Decision - 598 Yards.*  
The length of this hole will make 3 good shots necessary to score here, beware cutting the corner because the river will swallow up errant shots.
