

### Coffin Corner (Puchèk)

Hit a well placed shot to the middle of the fairway to set yourself up for a short approach. If you miss long right you may be in grave trouble.

### 2 Long Look (Achgelinqoam)

This downhill par 3 offers your first look at the course, but don't get too caught up. With 5 bunkers surrounding the green, an accurate shot is required.

### 3 Early Grave (Walamo)

A short par 4 that requires a well thought out second shot over a wall of bunkers to the green. If you happen to go in them, it may be the beginning of the end.

### 4 Burial Mounds (Cairns)

Place your tee shot on the green of the par 3, or you may find yourself in a mound of trouble.

### 5 Mountain of Fire (Pahsack Tentey)

Aim for the volcano bunker in the distance off the tee, to set yourself up with the possibility of going for this par 5 in two.

### 6 Dayton Dread (Nōtōkōkākan)

This long par five will require 3 accurate shots to hit the green. Try to keep your ball right of Dayton Street.

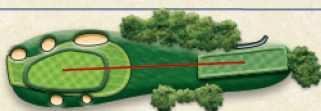

### 7 Infinity (Kekwaas)

Don't be long on your second shot into this infinity green, or you find this green doesn't go on forever.

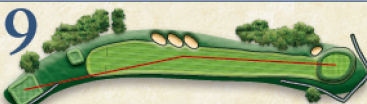

### 8 Tree Trouble (Takpali)

A straight shot into this well protected green is important, or you may be fighting with the trees.

### 9 Steep Slope (Menahoking)

Get your ball to the top for a sight line to the green but beware of fairway bunkers on the left.
