Dear Friends:

This fall we will hold the *13th Annual Joseph N. DiVincenzo, Jr. Golf Tournament*, which will again benefit the Essex County Parks Foundation, a 501(c)3 organization dedicated to improving our historic Essex County Parks System. I hope that you will join us for a day spent with friends, raising money for our own "hometown."

Our historic Parks System is vital to the health and vibrancy of our communities. The green pastures, winding walking paths, modern athletic facilities and beautiful vistas offer our residents a place to escape to, an oasis to unwind in and fields of dreams to play on. They benefit our residents' quality of life and attract visitors from beyond our county's borders — promoting economic development, job creation and tourism.

Working with our partner, the Essex County Parks Foundation, since 2003, we have raised more than \$5 million. The results of your past generosity can be seen in our restored playgrounds and new all-weather ballfields, our Safari miniGOLF, the Environmental Center and the variety of educational and recreation programs we sponsor for people of all ages and interests. Your participation in our golf invitational will help us continue the transformation of our historic Parks System we began more than a decade ago.

There are many ways you can share in the fun and contribute to this wonderful cause. Play golf, come to the cocktail party or take an ad in our journal. No matter how you participate, you will be helping us to continue *Putting Essex County First*.

Sincerely,

Joseph N. DiVincenzo, Jr.  
Essex County Executive
