

“The Frog Pond Science Club is devoted to young people who want to explore the pond ecosystem through exploration, examination, and exciting discoveries. Learn what makes a healthy ecosystem, who is eating who and how we can play a part as stewards of the natural environment.”

Joseph N. DiVincenzo, Jr.

**Joseph N. DiVincenzo, Jr., Essex County Executive
And the Board of County Commissioners**

Invite Youth to Participate in the

Frog Pond Science Club

Wednesdays—4pm to 5pm

March 22, April 19, May 10, June 7, 2023

For children 5 to 9 years old. Uncover and discover ecosystem interactions at the frog pond. Use nets, magnifiers, and microscopes to investigate. Learn from a naturalist how to protect and conserve the pond’s inhabitants.

Advanced registration and payment are required.

Parents: This is a drop-off and pick-up class.

Registration is accepted in-person, by mail or can be completed online at

www.essexcountyparks.org/calendar
