# Adventure Begins @ Your Library

*An Essex County Environmental Center Staff Naturalist will travel to your library!*

**Maximum of 25 participants per class.**

**FOR AGES 5 - 10 YEARS**

## MIGHTY MIGRATIONS

Learn about our local butterfly species, become the “playing pieces” in a game of migration, make and take a “Build-A-Butterfly” craft and learn how together we can support our pollinators through conservation efforts around town.

## SWAMP EXPLORATIONS

What makes up a wetland ecosystem? How can we work together to protect amphibians and other living things that rely on clean water? We’ll investigate furs, feathers, tracks and more in this sensory exploration.

## LENAPE LIVING

Ever wonder how the Lenape worked together to survive and thrive as a community? We’ll explore artifacts to learn about how they hunted, fished, foraged and farmed using sticks, stones and bones right here in Essex County. Participate in native life skills and explore topics such as fire-friction, plant identification, games, clothing, and more.
